

## Breast Surgery Fellowship

McMaster University Department of Surgery, in conjunction with Hamilton Health Sciences and St. Joseph's Healthcare are seeking applicants to the McMaster University Breast Surgery Fellowship. This clinical fellowship appointment will be for one year. The fellow will rotate on the Breast Surgery service at 2 large academic centers, which will include exposure to the full breadth of breast surgery which includes management of malignant and benign disease. The fellow will complete other rotations including medical oncology, radiation oncology, research and sub rotations of pathology, palliative care, and radiology. Elective time is available. General Surgical cases to maintain skills are integrated into the St Joseph Site. There is an on Call General Surgical component. In addition, there may be opportunity to cover emergency General Surgery call depending on the candidates' qualifications. The successful candidate will have completed a General Surgery residency and have a demonstrated interest in breast surgery. Both Canadian Medical Graduates (CMG) and International Medical Graduates (IMG) are eligible. CMGs should be eligible for or have certification from the Royal College of Physicians and Surgeons of Canada. Applicants must be eligible for licensure in the Province of Ontario. Applicants not eligible for an independent practice license must have funding support. In accordance with Canada's immigration policy, applications from Canadian Citizens and permanent residents of Canada will be prioritized.

McMaster University, Hamilton Health Sciences and St. Joseph's Hospital are committed to employment equity and encourage applications from all qualified candidates including women, members of visible minorities, Aboriginal peoples, members of sexual minorities, and persons with disabilities.

Applications must include a cover letter, current curriculum vitae including a description of previous academic experience and training, and three reference letters.

Anticipated start date will be September 2024 for CMGs and January 2025 for IMGs.

This application will remain open until June 10, 2024.

Dr. Barbara Heller, Breast Fellowship Director
